

Sensory Mark Making Activities:

Try some of these fun activities with your child to practise mark making, number or letter formation.....

- Flour shaker- to explore movements, letters, shapes
- Squirt shaving foam and then make marks with your finger, lolly stick or paintbrush
- Paint - with a brush, a stamper or finger
- Water activities- squirt water from a squirty water bottle onto the ground outside.
- Use chalk to make marks on the ground outside.
